*OUR LATEST STOCK  
UPDATE*

## The Bottle Top is on UNTAPPD

We may have gone a little quieter on our socials than usual but we are working on lots of new things and gearing up for opening our doors all the way again soon. We have already slightly extended our opening hours by opening from 9am again. Soon the table will be removed from the front of the shop and with some measurements in place we can serve you inside the shop again. In the meantime we are expanding our stock holding, re arranging furniture, upgrading our facilities and expanding our reach too.

You will now find us on UNTAPPD where you can subscribe to us, find beer ratings, be notified when new beers arrive, see what events we have and rate your beer online. Check us out and make sure you subscribe to keep up to date with all the beer goings on.

# What is new with The Bottle Top?

## ***The Splitscreen Coffee Company: Quality barista coffee now available!***

If you haven't already heard then where have you been? The lovely Jen from The Splitscreen Coffee Company has taken up residence in our little shop, serving delicious barista coffee and cake for takeaway. This Ruddington based business usually operates from her VW splitscreen camper van but owing to COVID-19 that is no longer an option. The coffee is the BEST and roasted just down the road too, not only that but she has brought with her scrumptious cakes from Oozee Boozee Bakes, another small business based over in Sneinton market. With plenty of plant milks and shots of syrup to choose from there is something to suit everyone with vegan cake options too. If you want to get your caffeine fix then you can come and grab yourself a brew and bake **9am - 3pm Monday-Saturday**,

## ***New Products***

We are always looking to add things to our product holding (even though we are running out of room) so by popular request we are now able to offer the below, as always if there is something you need that we don't have we will do our best to accommodate so make sure you tell us!

Hand Sanitiser Bottles & Refill - Vegan Pick n Mix - Goji Berries - Gluten Free Flour- Linseed - White Mulberries - Coconut Sugar - Soap Savers

# Fathers Day

## 21st June 2020

### ***Online Beer Tasting***

Fathers day is creeping up on us, who knew it was June already! Obviously how we spend the day this year will be a little different to usual so we have done a little thinking outside of the box and thought we could offer something different to thanks to all the Dads out there.

On sale from Wednesday 10th June we will be offering a Beer Tasting Box. Each box will contain 3 beers handicked by us, a tasty beer snack and taste cards. At 7pm Fathers day evening we will be hosting an online beer tasting where you can drink along with us, learn about the breweries behind them and the tasting notes of each.

Once they are live we will be announcing over on our socials so make sure you are following us on Facebook and Instagram; @thebottletopnotts

### ***Fathers Day Hampers***

#### ***Ruddington Highstreet Collaboration***

The VE day hampers went down such a treat that we have decided to team up again with the other village traders and provide a wonderful hamper of treats for Dad. The hamper includes contribution from Phoenix Flowers, Black Cat Café, The Old Bakehouse, The Frame Breakers, Split Screen Coffee and local artist Katie Derry as well as of course The Bottle Top.

You can find out more details and purchase your hampers on the Ruddington Village Market website: [www.ruddingtonvillagemarket.co.uk/store/products](http://www.ruddingtonvillagemarket.co.uk/store/products).
